A letter from the President

Since I last wrote to you for our Fall Appeal, much has happened at Our Lady of Mount Carmel School! We are well on our way to reaching our goal for the '21-'22 school year and your efforts have substantially helped! Giving Tuesday and End of Year giving brought in over \$5,000. We also received a generous donation to help implement a robust Fine Arts program. These gifts demonstrate the fact that donors help shape our school and can provide our students with a space to explore their hobbies, practice their talents, and discover their interests. We are constantly impressed by, and grateful for, the support and commitment of our community and of donors like you. Back in November, when we celebrated Giving Tuesday, we had several students share why they loved Mount Carmel. Much of what they spoke of is due in part to the generosity of donors. Tristan, Enylah, Mackenzie and more of our students mentioned how lucky they are to have so many opportunities here and to have such a supportive community.

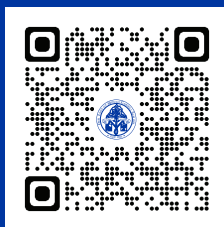

As always, a gift to Our Lady of Mount Carmel is an investment in Catholic Education and in our school community. Your donation allows all our students, students like Tristan and students like Enylah, to access educational opportunities and supportive communities that will carry them through life. You can make a gift today by sending in the attached mailer with cash or check, by visiting our website, or by scanning the QR code below.

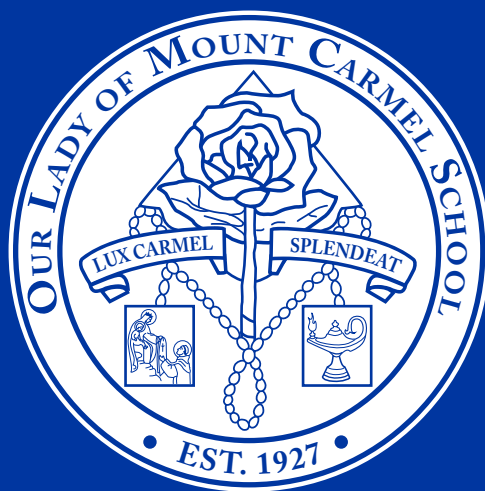

Thank you & may God bless you,

Lawrence S. Callahan
